

Learn with Laís

Welcome to Learn with Laís, your language school! Here you learn English and Portuguese by living the language in a practical, easygoing way that's truly connected to culture. It's about real-life experiences that transform the way you communicate.

"Learning another language is not only learning different words for the same things, but learning another way to think about things."

– Flora Lewis

Who is Laís?

Hi, I'm Laís! I've been teaching languages for over 12 years and have also spent years as a coordinator at English and Portuguese schools. I'm passionate about travel, cultures, and people... and it was from this passion that Learn with Laís was born. My mission is to open doors so you can create new connections through language, in a human way that's connected to your real life. Oh, and when I'm not teaching, I'm out walking Chocolate... that handsome boy in the photo!

The Program

We offer two main programs: English (ESL/EFL) online, and Portuguese for foreigners online sessions.. Both focused on conversation and real-life experiences.
